

S 65

S 65

There's an undeniable presence about the all-new S65, with her slender streamlined form that somehow also exudes a predatory air. A lightweight deep-V hull delivers on this promise with breathtaking agility up to 38 knots. When at anchor, peacefulness descends onto her generous well-appointed deck areas, which include a spacious foredeck seating area, whilst her hydraulic bathing platform and 3.3m tender garage become the perfect base for watersports. Her spacious interior features a sociable galley aft arrangement which opens out to the cockpit, whilst below deck eight guests are accommodated across four cabins, three of which are en suite.

Le tout nouveau S65 a une présence indéniable, avec sa ligne élancée et profilée, évoquant l'allure d'un prédateur. Sa coque légère en V profond, d'une incroyable agilité même à une vitesse pouvant atteindre 38 nœuds, tient toutes ses promesses. Quand il est à l'ancre, une ambiance sereine règne sur ses ponts aménagés avec luxe, alors que sa plate-forme hydraulique et son garage de 3,3 m deviennent la base idéale pour les sports nautiques. Son intérieur spacieux peut accueillir jusqu'à huit invités répartis dans quatre grandes cabines, dont trois équipées d'une salle de bains attenante.

Es lässt sich nicht verleugnen, dass die komplett erneuerte S65 mit ihrer schlanken, windschnittigen Form, die ihr ein verwegenes Aussehen gibt, allgegenwärtig ist. Der leichte, tiefe V-Schiffsrumpf hält, was er verspricht, und schafft eine atemberaubende Geschwindigkeit bis 38 Knoten. Wenn die S65 vor Anker liegt, lässt sich eine friedliche Stimmung auf ihren großzügigen, gut ausgestatteten Deckbereichen nieder, während die hydraulisch betätigte Schwimmplattform und die 3,30 m lange Beibootanbringung der perfekte Startpunkt für Wassersport werden. Im geräumigen Bootsinnern können bis zu acht Gäste in vier Kabinen untergebracht werden, von denen drei Ensuite-Kabinen sind.

Impossibile non notare il nuovo S65 con le sue forme snelle e slanciate e dall'aria vagamente predatoria. Un scafo leggero con carena a V profonda promette di raggiungere una velocità massima di 38 nodi con un'agilità mozzafiato. Quando si è all'ancora, la tranquillità cala sulle sue aree generose e ben arredate. La plancetta da bagno idraulica e il garage in grado di alloggiare un tender da 3,3 m diventano la base ideale per gli sport acquatici.

Есть бесспорное присутствие чего-то хищного в тонком и изящном силуэте совершенно новой S65. Её легкий V-образный корпус гарантирует вам захватывающие дух ощущения на любых скоростях, включая максимальные 38 узлов. Когда Вы стоите на якорю, спокойствие и безмятежность опускаются на все её палубы. В это время гидравлическая купальная платформа и вместительный гараж длиной 3.3 метра становятся прекрасной площадкой для водных развлечений. Просторный интерьер способен с комфортом разместить до восьми гостей в четырёх каютах, которые не оставят равнодушными даже истинных ценителей роскоши и комфорта.
