

V52

V52

Streamlined in every sense of the word, the V52 is a symphony of agile performance, welcoming space and flexible on board comfort. Her main deck has a spacious saloon connected to the aft cockpit via triple sliding doors, and with a vast electric sunroof overhead, it's the perfect location for enjoying starry nights or early morning sunshine. The teak-laid hydraulic swimming platform makes a dip in the deep blue simply irresistible too.

Profilé dans tous les sens du terme, le V52 est une symphonie composée de maniabilité, d'espaces accueillants et d'un confort flexible à bord. Son salon fermé est équipé de canapés profonds, d'un téléviseur 40 pouces en option et d'un grand toit ouvrant, idéal pour les nuits étoilées ou le soleil matinal. La plateforme de bain en teck rend un plongeon dans la mer tout simplement irrésistible.

Die V52 ist ein windschnittiges Boot, das auf harmonische Art und Weise Beweglichkeit, einladenden Platz und flexiblen Komfort an Bord miteinander vereint. Im Salon des überdachten Decks gibt es ein tiefes Sofa, einen optionalen 40" Fernseher und ein breites, elektronisch betätigtes Schiebedach, das sich perfekt für Sternennächte oder für den frühmorgendlichen Sonnenschein eignet. Die Schwimmpattform aus Teakholz macht einen Sprung ins tiefblaue Wasser einfach unwiderstehlich.

Semplificato nel vero senso del termine, il V52 è una sinfonia di prestazioni agili, spazio accogliente e comfort flessibile a bordo. Nel salone chiuso sul ponte vi sono comodi divani, una TV da 32 pollici nascosta e un ampio tetto apribile elettrico perfetto per le notti stellate o per godersi la luce del sole di primo mattino. E con la plancetta da bagno in teak, è semplicemente impossibile resistere alla tentazione di tuffarsi nel blu più profondo.

Стремительная в каждой линии, V52 — это симфония динамики, технического совершенства, и невероятного комфорта на борту. Её просторный салон и кокпит соединяются тройными раздвижными дверьми, а с помощью панорамного люка в крыше салон превращается в идеальное место для наслаждения звёздами или ранним утренним светом. Тиковая плавательная платформа, опущенная в яркую лазурную воду, выглядит просто великолепно.

Function and refined form are in perfect harmony everywhere you look. Below deck, adjacent to the fully equipped galley, the lower saloon can either be a social entertaining area or cleverly converted into additional berths. The full-beam owner's stateroom, with en suite bathroom and separate stall shower, is a luxuriously spacious haven. Guests are accommodated in the forward cabin which is fitted with scissor berths for added flexibility, there is also the option to specify a third guest cabin if required.

Fonctionnalité et raffinement des formes sont en parfaite harmonie partout où se porte le regard. Sur le pont inférieur, jouxtant la cuisine tout équipée, le salon inférieur peut faire office de lieu de réception convivial ou être intelligemment converti en cabine supplémentaire avec couchettes. La cabine du propriétaire avec salle de bain attenante et cabine de douche séparée, est une retraite luxueuse et spacieuse, avec une excellente hauteur sous plafond.

Wo immer Sie auch hinschauen: die V52 kombiniert Funktion und verfeinerte Formen auf harmonische Weise miteinander. Der untere Salon im Unterdeck neben der vollständig ausgestatteten Kombüse kann entweder als gemütlicher Unterhaltungsbereich benutzt oder intelligent in zusätzliche Kojen umgewandelt werden. Die Kabine des Bootsbesitzers mit einem Ensuite-Badezimmer und separater Duschkabine ist ein angenehm großzügig angelegter Ruhepol mit unglaublicher Kopffreiheit.

Funzione e forme raffinate sono in armonia perfetta ovunque si guardi. Sottocoperta, accanto alla cucina completamente attrezzata, il salone inferiore può essere un'area d'intrattenimento per socializzare o essere trasformato in modo intelligente in una zona notte aggiuntiva. La cabina armatoriale, con bagno privato e doccia separata, è un'oasi lussuosa e spaziosa con un'altezza incredibile.

Повсюду Вас окружают гармония и функциональность. Салон на нижней палубе рядом с превосходно оборудованной кухней может использоваться как гостиная или превратиться в дополнительные спальные места. Мастер-каюта во всю ширину корпуса с ванной комнатой и панорамным остеклением станет для Вас раем для отдыха и наслаждения тишиной. Гостей ждёт роскошная каюта с двумя отдельными кроватями, которые при желании трансформируются в двуспальную. Вы также можете выбрать комплектацию яхты с тремя каютами.
