

V62-S

## V62-S

The elegant lines of the V62-S encapsulate an expansive and sociable cockpit arrangement with generous seating and a fully equipped wetbar with a barbecue. When at anchor, the electro-hydraulic bathing platform creates a convenient launch system for a 3m tender, a jet ski, or simply becomes a secluded swimming platform. And when at sea, acoustic insulation ensures a remarkably quiet ride, even when cruising up to 38 knots.

Son vaste cockpit est un espace convivial aménagé par de sièges spacieux, un bar entièrement équipé avec évier et un barbecue. À l'ancre, la plateforme de bain hydraulique constitue un dispositif pratique de mise à l'eau pour une annexe de 3 m ou un jet ski ou devient tout simplement une plateforme de baignade intime. Et en mer, l'isolation acoustique assure une navigation silencieuse, même à une vitesse allant jusqu'à 38 nœuds.

Das große Cockpit der V 62-S mit seiner großzügigen Sitzmöglichkeit, einer vollständig ausgestatteten Bar und einem BBQ ist ein wunderbar gemütlicher Ort. Wenn Ihre Yacht vor Anker liegt, können Sie von der elektrisch-hydraulisch betätigten Schwimmpattform auf bequeme Weise in das 3 m lange Beiboot oder in einen Jet-Ski einsteigen. Und wenn Sie auf hoher See sind, haben Sie dank der Schallisolierung auch bei Geschwindigkeiten von bis zu 38 Knoten eine ruhige Fahrt.

Il suo ampio pozzetto è uno spazio in cui socializzare diventa un'esperienza incredibilmente esaltante grazie a sedute generose, un mobile bar completamente attrezzato e al barbecue. Quando si è all'ancora, la plancetta da bagno elettroidraulica crea un pratico sistema di lancio per un tender da 3 m, una moto d'acqua o diventa semplicemente una spiaggia privata. In mare aperto, invece, l'isolamento acustico garantisce una crociera silenziosa persino a velocità fino a 38 nodi.

Её просторный кокпит — идеальное место для отдыха, удобные длинные диваны и широкий стол, полностью оборудованные бар и барбекю. Когда Вы стоите на якорю, электрогидравлическая платформа превращает спуск тендера или гидроцикла на воду в сплошное удовольствие или просто становится для Вас приватным пляжем. Когда Вы в море, многоступенчатая система шумоизоляции гарантирует тихую прогулку даже на максимальной скорости в 38 узлов.

At the touch of a button the sunroof reveals the skies above, transforming the social U-shaped seating beneath into a particularly nice spot for entertaining. Below deck, the lower saloon is located adjacent to the large galley which includes a full-height fridge/freezer. Two well-appointed cabins await guests, and for the owner, a full-beam, en suite stateroom with beautiful vistas through the vast single pane hull windows.

Il suffit d'appuyer sur un bouton pour que le toit ouvrant révèle le ciel, transformant ainsi le coin salon en U en un lieu particulièrement agréable pour recevoir. Sur le pont inférieur, le salon bas est équipé d'une grande cuisine et éventuellement d'un grand réfrigérateur/congélateur en option. Deux cabines bien aménagées attendent les invités et pour le propriétaire, une chambre principale qui occupe toute la largeur, avec une salle de bains privative et une vue superbe à travers la grande baie vitrée de la coque.

Mit einem einzigen Knopfdruck gibt das Schiebedach den Blick auf den Himmel über Ihrem Kopf frei und macht die gemütliche Sitzecke in U-Form darunter zu einem Ort, der sich besonders gut für den Abend eignet. Auf dem Unterdeck gibt es im unteren Salon eine große Kombüse und sogar die Möglichkeit für einen über die gesamte Raumhöhe verlaufenden Kühlschrank mit Gefrierfach. Auf die Gäste warten zwei gut ausgestattete Kabinen und auf den Bootsbesitzer eine Ensuite-Kabine mit vollständiger Beleuchtung und einem wunderschönen Blick durch die großen Bullaugenfenster auf der einen Schiffseite.

Basta inoltre premere un pulsante per azionare il tetto apribile e vedere il cielo, trasformando così le sedute a U ideali per socializzare in un luogo particolarmente bello per pranzare. Sottocoperta, il salone inferiore dispone di un'ampia cucina con frigorifero/freezer all'americana (opzionale). Tre cabine ben arredate attendono gli ospiti mentre il proprietario alloggia in una cabina armatoriale a larghezza completa con bagno privato godendosi panorami mozzafiato dalla finestra a vetratura fissa nello scafo.

Одно нажатие кнопки, и отъезжающая крыша превращает салон в открытое солнцу и небу пространство, которое идеально подходит для обедов и вечерних коктейлей под открытым небом. На нижней палубе находится ещё один салон с кухней, на которой по Вашему желанию можно установить полноценный холодильник с морозильной камерой. Для гостей предусмотрены две просторные каюты, полностью оборудованные для длительного проживания на борту. А панорамные окна мастер-каюты, занимающей всю ширину корпуса, открывают великолепные виды.

MAIN DECK

LOWER DECK

PRINCIPAL DIMENSIONS

Length overall (incl. pulpit)	63ft 6in (19.35m)
Length overall (excl. pulpit)	62ft 8in (19.13m)
Beam	16ft 5in (4.99m)
Draft	4ft 6in (1.37m)
Displacement approx.	27,200kg (60,000lbs)*
Fuel capacity	750 gal/900 US gal/3,409l
Water capacity (incl. calorifier)	110 gal/132 US gal/500l

ENGINE OPTIONS - DIESEL

Twin Caterpillar C18 A (2 x 1,015mhp)	Speed range: 32-35 knots†
Twin Caterpillar C18 A (2 x 1,150mhp)	Speed range: 35-37 knots†
Twin MTU 8V 2000 M94 (2 x 1,268mhp)	Speed range: 36-38 knots†

DECK FITTINGS

- Teak-laid transom platform, cockpit deck and stairs to side decks
- Reversible electric anchor winch with foredeck and helm position controls
- Self-stowing 40kg/88lbs Delta anchor with 40m of chain
- Stainless steel cleats, fairleads and handrails
- Remote control searchlight
- Stern docking lights
- Foredeck rope locker

COCKPIT

- U-shaped seating with teak table
- Sunbed aft with garage below
- Transom gate leading to bathing platform with electro-hydraulic raise/lower mechanism, foldaway swimming ladder and hot and cold shower
- Wetbar including sink with electric barbecue and coolbox
- Speakers linked to deck saloon sound system
- Lockable gas strut assisted hatches to engine room and lazarette
- Lifteraft and fender storage lockers
- Locker housing 240v shore support inlet
- Locker with remote fuel cocks
- Cockpit cover
- Optional electro-hydraulic telescopic passerelle (3.5m)

HELM POSITION

- Twin adjustable helm seats
- Electric opening window
- Full engine instrumentation including fuel gauges, engine controls and rudder position indicator
- Navigation system including colour radar, GPS and chartplotter, VHF/RT, speed and distance log, echo sounder with alarm, autopilot and high speed magnetic compass
- Controls for bow thruster, windscreen wipers, bilge pump, anchor winch and trim tabs (with indicator)
- Chart table
- Remote control searchlight
- 12v outlet
- Red night lighting

DECK SALOON

- Triple opening stainless steel framed sliding doors to cockpit
- U-shaped sofa with coffee table
- Sideboard unit with glass and bottle storage, refrigerator and icemaker
- Electric opening roof
- Stereo radio/MP3 with saloon and cockpit speakers
- Opening window to port

GALLEY

- 4-zone ceramic hob
- Combination microwave/conventional oven with grill
- Twin stainless steel sinks with monobloc mixer tap
- Full-height fridge/freezer
- Dishwasher
- Storage cupboards, drawers and lockers
- Optional washer/dryer and storage area below stairway

LOWER SALOON

- L-shaped sofa with dining table and two stools
- Sideboard unit
- Storage lockers
- 32" LED TV, DVD, radio/MP3 with surround system
- 24v and 240v control panel

ACCOMMODATION

- All cabins and bathrooms feature opening portholes
- All cabins feature 220/240v power points
- All mattresses pocket sprung (excluding crew)
- All bathrooms feature full shower stalls, electric freshwater toilets, extractor fan and 240v shaver points

OWNER'S STATEROOM

- Large double bed with drawers below
- Wardrobe with shelves
- Dressing table
- Sofa
- Overhead and individual berth lights
- Stereo radio/MP3
- En suite bathroom

FORWARD GUEST CABIN

- Large double bed with drawers below
- Wardrobe with shelves
- Vanity unit
- Storage lockers
- Deck hatch with integrated skylight and blind
- Overhead and individual berth lights
- En suite bathroom (with day access)

STARBOARD GUEST CABIN

- Two single berths with drawers below
- Wardrobe with shelf
- Storage lockers
- Overhead and individual berth lights

OPTIONAL AFT CABIN

- Single berth
- Storage lockers and hanging locker
- Overhead and individual berth lights
- Electric freshwater toilet and washbasin

INTERIOR FINISH

- Furniture in Rovere Oak with satin or high gloss finish. American Walnut or Alba Oak available as an option
- Avonite worktops and tiled floors in all bathrooms
- Avonite worktop and timber-laid floor in galley
- Timber-laid saloon floor
- Choice of high quality carpet and upholstery fabric from extensive range
- Curtains, blinds or sunscreens to all windows and portholes

POWER AND DRIVE SYSTEMS

- 5-bladed propellers in nickel aluminium bronze
- Bow thruster (170kgf/375lbf)
- Power-assisted electro-hydraulic steering system with hydraulic back-up
- Electronic engine and gear shift controls
- Dripless shaft seals
- Engine room extractor fan with electronic time delay

ELECTRICAL SYSTEMS

- 24 Volt:
- 4 x heavy duty batteries for engine starting
- 4 x heavy duty auxiliary batteries
- 60 amp battery charger charges both banks of batteries via an automatic switch charging system
- LED lighting throughout

220/240 Volt:

- 9.5kW diesel generator with own starting battery and specially silenced exhaust
- Polarity check system
- Earth leakage safety trip
- Power points to all areas

FUEL SYSTEM

- Twin fuel tanks (in NS8 marine grade alloy) with interconnection system giving 750 gal/900 US gal/3,409l capacity
- Fuel fillers on port and starboard side decks
- High capacity fuel filters/water traps

WATER SYSTEM

- 95 gal/114 US gal/431L plus 16 gal/19 US gal/72l hot water calorifier and heated by engine and 240v immersion heater
- Water level gauge
- Deck filler
- Electric freshwater WC system with 60 gal/72 US gal/272l holding tank

FIRE EXTINGUISHERS

- Automatic/manual override fire extinguishers in engine room with manual override
- Hand-operated fire extinguishers (5) in owner's stateroom, guest cabins, galley, deck saloon and lower saloon

BILGE SYSTEMS

- Automatic electric bilge pumps (6)
- High capacity manual bilge pump with valve system and bilge suction points in same area

OTHER ITEMS SUPPLIED AS STANDARD

- Set of cutlery, crockery and glasses (6)
- Set of towels (6 large, 6 hand)
- Ensign staff
- Fenders (6) and warps (4)
- First aid kit
- Tool kit
- Set of manuals
- Quilted bedspreads in all cabins
